My favorite moments from Technology are too many to count.. Over the last four years I've accumulated countless memories that I'll remember forever.

---

"Isn't it funny how day by day nothing changes but when you look back everything is different."

---

The thing I will miss most about THS is that, although everyone came from different walks of life, we were able to come together as one big family.

---

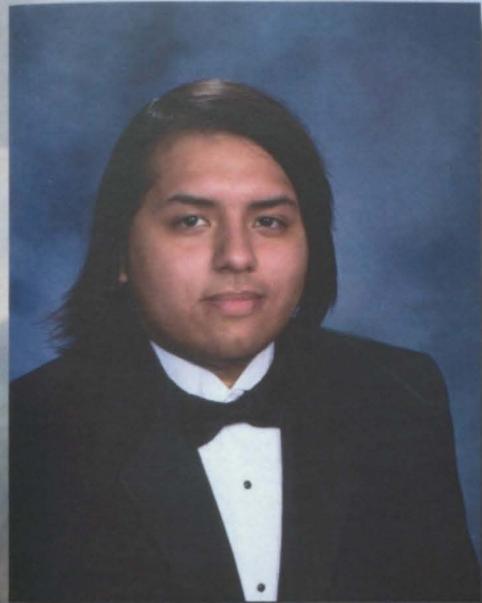

"One day  
or  
day one.  
You decide."

---

"If you don't give it all you got you're only cheating yourself."
